MATTRESSES

*Montauk*

## Montauk *Features*

- 1 Top panel with Virase Finish** – Virase is a treatment that is applied to the fabric which helps fight the spread of viral infections by reducing the viral activity on the sleep surface.
- 2 Top panel quilting** – Includes high grade foams and with a gel foam for maximum comfort.
- 3 Cashmere/Wool blend** – These natural fibres are used to help absorb & release moisture into the atmosphere, keeping you warm in winter and cool in summer.
- 4 Graphene Memory Foam** – This Ultra-Fresh treated foam, creates the ultimate sleep experience combining a highly breathable sleep platform that helps disperse heat away evenly by creating a cool breathable surface for a restful night's sleep.
- 5 Gel infused memory foam** – This technology is the latest development to ensure a cool sleeping environment.
- 6 Mini pocket spring** – Provides extra lumbar support and promotes for even weight distribution by contouring to your body shape.
- 7 Pillow Top Foam box** – Gives side edges extra support. Suitable for adjustable beds.
- 8 Gel infused Latex 25mm** – Provides a cool sleeping surface with total support which makes for the ideal pressure relief and posture alignment.
- 9 3 zone, 2500 Titanium pocket spring with foam box** – This 2500 pocket spring unit is made from Titanium which is one of the strongest metals and considered light in weight surrounded by a foam box for extra edge support. The zoning in the spring unit helps with even distribution of weight and maximises pressure relief providing sleeper comfort. Suitable for adjustable beds.
- 10 Vents** – Tommy Bahama beds are designed with breathability & ventilation in mind to keep the sleeper's body cool.
- 11 Handles** – For ease of rotation and branding of the product.
- 12 Tommy Bahama Badge** – Each Tommy Bahama bed is customized with an original Tommy Bahama badge for product authenticity.
- 13 Warranty** – 15 years Australian Made product
- 14 Available in 3 Comfort Levels** – Ultra Support, Plush & Ultra Plush
