

Tommy Bahama[®]
MATTRESSES

Eastport Plush

Eastport Plush *Features*

- 1 Top panel with Virase Finish** – Virase is a treatment that is applied to the fabric which helps fight the spread of viral infections by reducing the viral activity on the sleep surface.
- 2 Cashmere/Wool blend with Camel Wool** – All three natural fibres are used to help absorb & release moisture into the atmosphere, keeping you warm in winter and cool in summer.
- 3 Visco Soy Memory Foam** – OEKO-TEX responsible Visco soy base foam designed to have open cell construction for free airflow and temperature control, contouring your body to reduce pressure points for optimal support and comfort.
- 4 Horse Hair** – Horse hairs are a natural fibre that is hollow, so they funnel air through the batting which provide the perfect wicking material to dissipate moisture which accumulates during sleep. This serves to ventilate a mattress and keep it dry.
- 5 Mini pocket spring** – Provides extra lumbar support and promotes even weight distribution by contouring to your body shape.
- 6 Pillow Top Foam box** – Gives side edges extra support. Suitable for adjustable beds.
- 7 Gel infused Latex 25mm** – Provides a cool sleeping surface with total support which makes for the ideal pressure relief and posture alignment.
- 8 3 zone, 2500 Titanium pocket spring with foam box** – This 2500 pocket spring unit is made from Titanium which is one of the strongest metals and is considered light in weight surrounded by a foam box for extra edge support. The zoning in the spring unit helps with even distribution of weight and maximises pressure relief providing sleeper comfort. Suitable for adjustable beds
- 9 Tommy Bahama Badge** – Each Tommy Bahama bed is customized with an original Tommy Bahama badge for product authenticity.
- 10 Vents** – Tommy Bahama beds are designed with breathability & ventilation in mind to keep the sleeper's body cool.
- 11 Handles** – For ease of rotation and branding of the product.
- 12 Warranty** – 15 years Australian Made product
