HYPNOS®

THE MOST COMFORTABLE BEDS IN THE WORLD

EDINBURGH

MR

HANDCRAFTED SINCE 1971

HYPNOS - EDINBURGH

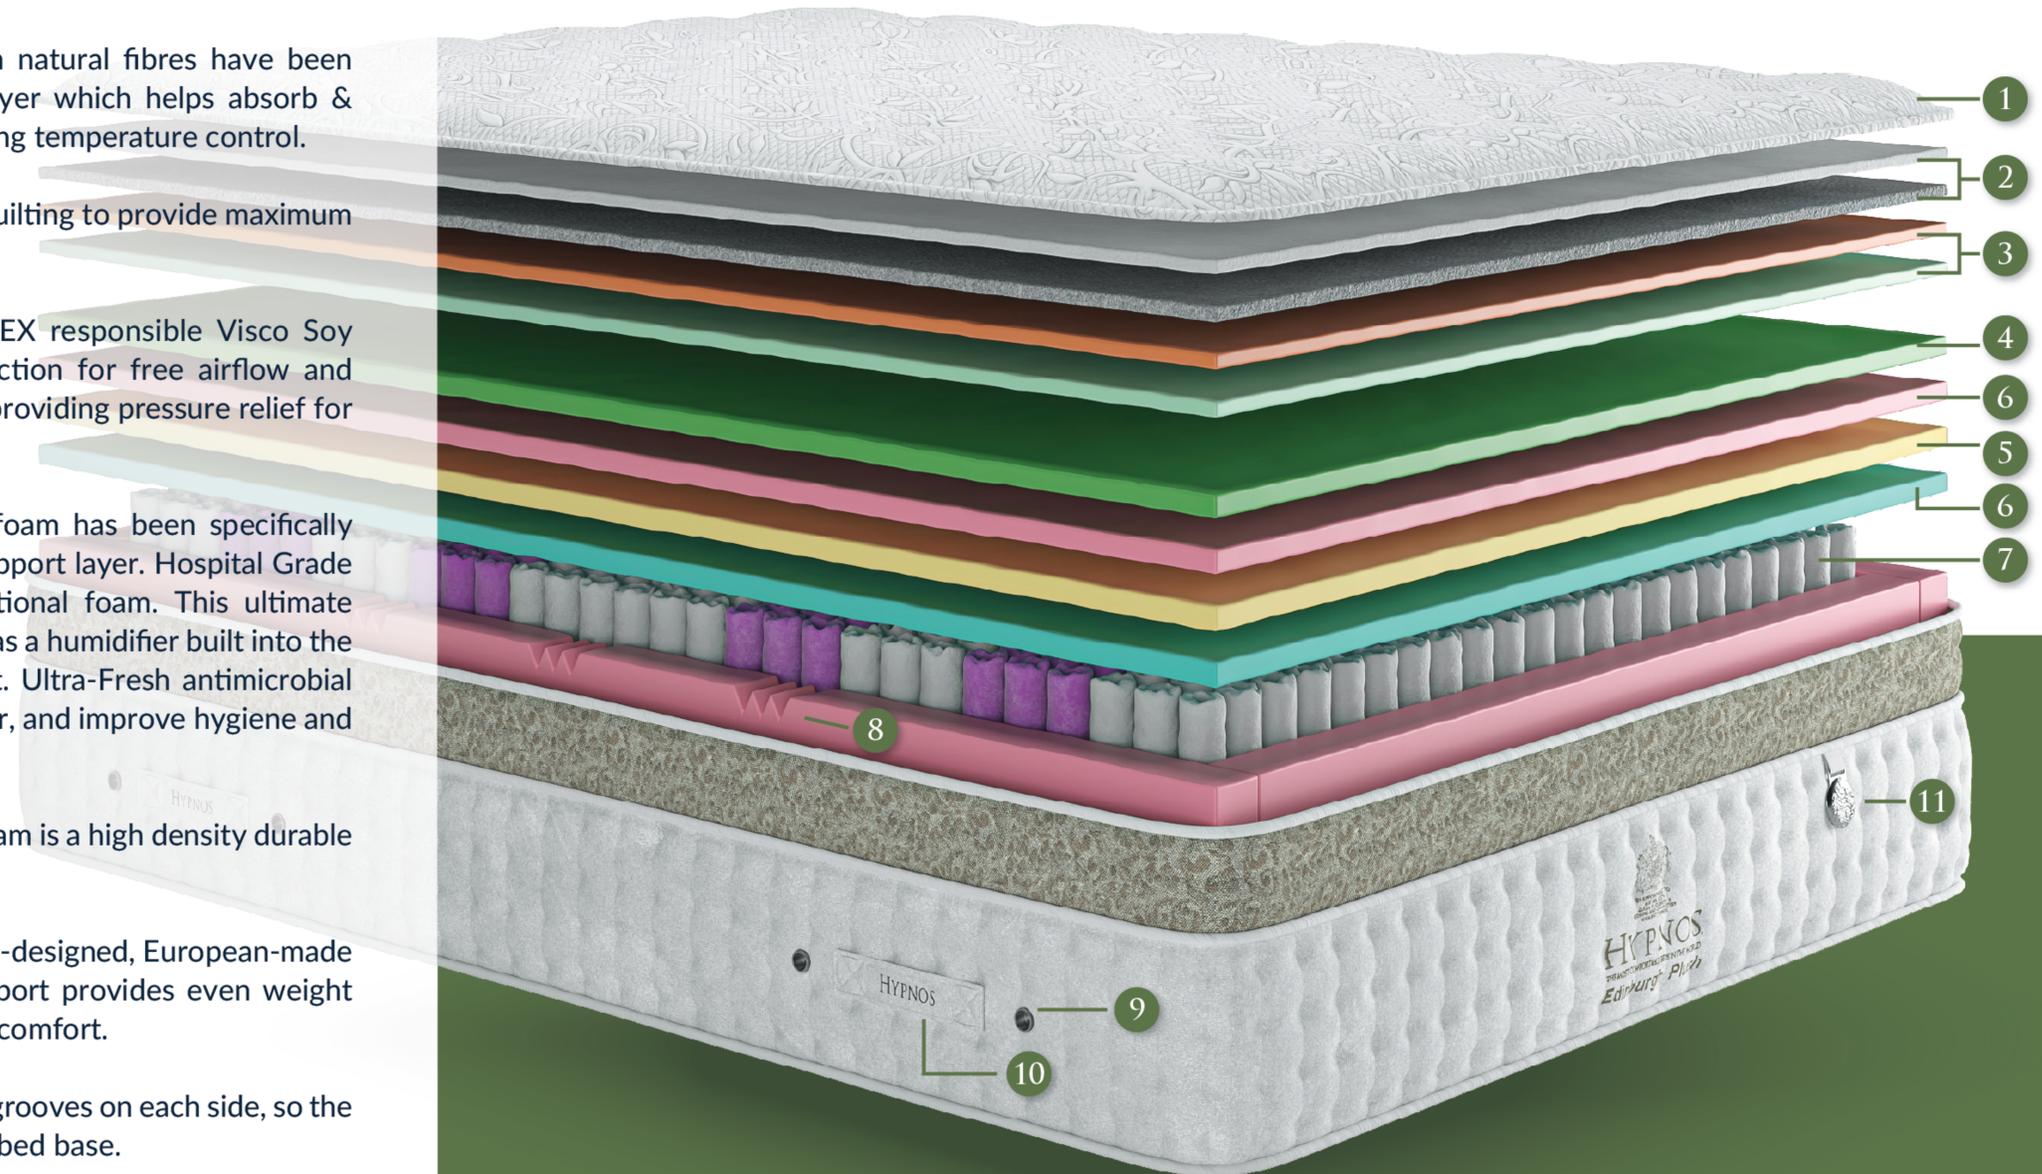

FEATURES & BENEFITS

- Height of Mattress: 37cm
- 15 Year Warranty
- Comes in 3 different feels – Plush, Medium and Firm
- GECA Approved foams used in the product, making this model a responsible sustainable choice

- 1 Tencel Top Panel Fabric** – Tencel is a sustainable fabric made from wood pulp. Its production processes are refined to maximise resource efficiency and minimize environmental impact, making the Edinburgh a responsible choice. A high-end material, it is well regarded for being soft and durable, providing breathability.
- 2 Top Panel Quilting with Silk and Wool** – Both natural fibres have been quilted together to create a durable comfort layer which helps absorb & release moisture into the atmosphere, by regulating temperature control.
- 3 Top Panel Foams** – Premium foams used in the quilting to provide maximum support in comfort layers.
- 4 Visco Soy Memory Foam** – European OEKO-TEX responsible Visco Soy base foam designed to have open cell construction for free airflow and temperature control, contouring your body, and providing pressure relief for optimal support and sleep comfort.
- 5 HG Foam** – This high quality Australian-made foam has been specifically designed for use in healthcare mattresses as a support layer. Hospital Grade foam is a high density, high durability conventional foam. This ultimate internal support layer offers superior support. It has a humidifier built into the foam to cater for humidity caused by body heat. Ultra-Fresh antimicrobial treated to prevent microbial growth, reduce odour, and improve hygiene and product longevity.*
- 6 Stamina Foam** – This antimicrobial Ultra-Fresh foam is a high density durable foam that lasts the lifetime of the mattress.*
- 7 Foam Box 9 Zone Pocket Spring** – The Australian-designed, European-made 9 zone pocket springs with foam box edge support provides even weight distribution, maximising pressure relief and sleep comfort.
- 8 Foam Box Walls** – designed with cut-out flexible grooves on each side, so the mattress can be used on a standard or adjustable bed base.
- 9 Vents** – Hypnos beds are designed with breathability & ventilation in mind to keep the sleepers body cool.
- 10 Numbered Handles** – Provides exclusivity to product like a collector's piece.
- 11 Hypnos Badge** – Each Hypnos bed is customised with an original Hypnos badge for product authenticity.

Mattress Resources Australia is committed to responsible craftsmanship and a more sustainable future. Our focus is on progressing towards greater use of recyclable components, **GECA-approved** foams and natural fibres, alongside more considered material choices that support durability and reduce waste over time. From sourcing through to production, we're building a clearer pathway to making our mattresses with greater care for people and planet.
